

MLRE-5 Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds

When a player's ball has not been found or is *known or virtually certain* to be *out of bounds*, the player may proceed as follows rather than proceeding under *stroke and distance*. **But** the player may not use this option to take relief for the original ball when that ball is *known or virtually certain* to have come to rest in a *penalty area*, or the player has played another ball provisionally under penalty of *stroke and distance* (see Rule 18.3). A player may use this option to take relief for a provisional ball that has not been found or is known or virtually certain to be out of bounds.

For **two penalty strokes**, the player may take relief by *dropping* the original ball or another ball in this *relief area* (see Rule 14.3):

Two Estimated Reference Points:

a. **Ball Reference Point:** The point where the original ball is estimated to have come to rest on the *course*, or last crossed the edge of the *course* boundary to go *out of bounds*.

b. **Fairway Reference Point:** The point of fairway of the hole being played that is nearest to the ball reference point but is not nearer the *hole* than the ball reference point. For purposes of this Local Rule, "fairway" means any area of grass in the *general area* that is cut to fairway height or less.

If a ball is estimated to be *lost* on the *course* or last crossed the edge of the *course* boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

Size of Relief Area Based on Reference Points: Anywhere between a line from the *hole* through the ball reference point (and within two *club-lengths* to the outside of that line), and a line from the *hole* through the fairway reference point (and within two *club-lengths* to the fairway side of that line). **But** with these limits: • Must be in the *general area*, and • Must not be nearer the *hole* than the ball reference point.

Once the player puts a ball *in play* under this Local Rule:

- The original ball that was *lost* or *out of bounds* is no longer *in play* and must not be played.
- This is true even if the ball is found on the *course* before the end of the three-minute search time (see Rule 6.3b).

Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: General Penalty Under Rule 14.7a."
