Dear Quail Creek Water Customer,

Quail Creek Water Company offers a program, which allows customers to pay their monthly water bills directly from their checking or savings account.

Never write another check to Quail Creek Water Company AGAIN! It's the safe and easy way to pay your bills and avoid both the hassle of writing checks and the cost of postage.

You'll continue to get a monthly statement from *Quail Creek Water Company*, verifying your water charges. Simply enter the total charge in your checking or savings account register, but instead of writing a check, those charges will be automatically deducted from your checking or savings account on the delinquent date (unless the date falls on a Saturday or Sunday). Your bank statement will list all payments, including the date and the exact amount.

Transactions are strictly between your bank and *Quail Creek Water Company*, completed over a total secure network. It's safer and quicker than sending a check by mail.

Never overlook a payment. Protect your credit rating from mail delays. Sign up for the Surepay program today!

Please Note: There will be a *two-month* pre-noting process after your application has been received. Continue to pay your monthly bill until your statement reflects **"Amount Due \$0.00, "SUREPAY" - DO NOT REMIT"** on the top portion of your bill. The amount to be drafted from your account will be documented on the bottom portion of your bill.

Please feel free to contact me with any questions or concerns, Monday - Friday, 8:00AM - 4:00PM at (520) 825-3423.

Sincerely, Office Clerk

A VOIDED CHECK MUST BE ATTACHED TO PROCESS YOUR APPLICATION
(Please detach bottom portion & return in enclosed envelope)
